

## **MEDIA OPT OUT**

Salem First Church of the Nazarene hosts a website that includes links for the Middle School and High School Ministries ([www.salemnaz.org](http://www.salemnaz.org)). Occasionally we wish to post pictures or videos of youth group attendees. This may involve posting a picture or video showing a student or group of students. If a student's picture is used, these are the guidelines we follow:

- Only first names shall be used if referencing student(s) pictures/videos.
- Personal information will not be published.
- Documents will not include information that indicates the physical location of a student at a given time other than attendance at Salem First or participation in an activity.

The Salem First youth group may use pictures and videos of your student for the website without first obtaining your consent, **UNLESS** you inform us otherwise.

Please return this form to your student's youth pastor only if you do **NOT** want their picture used on The Salem First Church of the Nazarene website.
